

Why a Legacy Society

In 1982 a forward thinking Encompass board established an Endowment to meet the long term needs of the organization. In 2020, to celebrate the 100th year of Encompass, a campaign "For The Children" was established to grow the endowment.

Today The Encompass Endowment has assets nearly \$6 million.

Legacy

*"The measure of who we are is what we do with what we have"
- Vince Lombardi*

Why Leave a Legacy

At Encompass, we have in place family advocates, tuition assistance, grants for family needs, and even the ability to help with basic needs like clothing, food and transportation. For all families enrolled, we provide daily communication, training on conscious discipline engagement, family events, and family involvement in the development of every child.

Your gift will increase our endowment, allowing us to respond to the changing needs of our community's children.

Priorities of the Endowment include:

- Tuition Scholarship Support for At-Risk Children
- Affordable Care for All Families
- Resources to Enhance Programs and Curriculum
- Teacher Support
- The Best in Classroom Experiences

The cost of one year of quality child care at Encompass ranges from \$9,000 to \$13,000 per child. Your gift will meet the growing need to support families who would otherwise not be able to afford care for their children.
