My enrolled center isn't listed as an option? .....	3

## I don't have a PayPal Account. How can I pay?

No PayPal, no problem! We use PayPal as our secure processor. It's not necessary for you to have an account to use it.

At the bottom of the PayPal page, there's a button labeled with "Pay with Debit or Credit Card". After clicking that button, you'll proceed to a new page where you'll enter your credit-card information and billing information to process your card. Simple as that!

Pay with PayPal

Enter your email or mobile number to get started.

## Why can't we pay through Click-To-Pay anymore?

Encompass will be transitioning away from families paying through the "Click to Pay" link on the e-mailed invoices due to our software provider ending that service. We are working on transitioning to a new software platform; however, in the meantime, we are asking that you make credit/debit card payments through our payment option at [www.encompasswi.org/](http://www.encompasswi.org/) or in person at the center. The new payment link will be on our invoices starting today. If you would like to have your payments deducted from your checking or savings account, please contact your Center Director.

## **My enrolled center isn't listed as an option?**

Any location not listed as a selection is already utilizing Procure. Parents at centers utilizing Procure already have the availability to make payments directly through their MyProcure account.
